

1967 Series New Vintage Gauge Catalog

New Vintage 60s themed gauge set brings authentic 60s and 70s style to your dash. We see so many musclecars that look great but fall short with the “off the shelf” look to the dash. Our gauges are a great alternative to other brands, they look different but right. All instruments are made by hand in our shop in Detroit, where car parts should be made.

Our inspiration came from many vehicles from the 60s but we paid particular attention to the 67-68 Mustang. Those instruments had a very period look. We didn't set out to duplicate them, but rather take the feel of the era and interpret the graphics into these sets.

Authentic mid 60s-70s styling
Rugged construction
Complete kits or individual gauges
Mix and match sizes to suit your dash
Wide range of sizes/layouts

Made In The USA

2 GAUGE KITS

3-1 GAUGE KIT 4-3/8"

All of the functions you need in a compact package. Kit includes speedo, tach, fuel level oil pressure, water temperature, voltage, warning lamps with signals, wiring harnesses and speed sender. (fuel sender included on 240-33 but not with factory match 0-90 or 73-10)

67253-01 1967 3-1 KIT 0-90 GM BLACK

67254-01 1967 3-1 KIT 240-33 BLACK

67255-01 1967 3-1 KIT 73-10 FORD/CHRY BLACK

67253-01
67254-01
67255-01

67205-01 4 3/8" 2 GAUGE KIT BLACK PROG SPEEDO 240 FUEL UNIV.

Kit includes 4-3/8 programmable speedometer 140 MPH, 4-3/8 quad gauge (100-250F water temp, 0-100PSI oil pressure, 8-18 volts Empty-Full fuel gauge, pressure, temperature and GM speedometer sender with 7/8-18 thread. Universal 240-33 ohm adjustable fuel level sender, color coded wiring harnesses and detailed instructions.

67285-01 4 3/8" 2 GAUGE KIT BLACK PROG SPEEDO FORD/CHRY KIT

Kit includes 4-3/8 programmable speedometer 140 MPH, 4-3/8 quad gauge (100-250F water temp, 0-100PSI oil pressure, 8-18 volts Empty-Full fuel gauge (73-10 Ford/Chrysler range), pressure, temperature and GM speedometer sender with 7/8-18 thread and Ford style speedometer sender adapter, color coded wiring harnesses and detailed instructions.

67205-01

67285-01

2 GAUGE KITS 3-3/8"

67204-01 3-3/8" 2 GAUGE SET BLACK MECH SPEEDO

Kit includes 3-3/8 mechanical speedometer 140 MPH, 3-3/8 quad gauge (100-250F water temp, 0-100PSI oil pressure, 8-18 volts Empty-Full fuel gauge, pressure, temperature sender. Universal 240-33 ohm adjustable fuel level sender and detailed instructions.

67284-01 3-3/8" 2 GAUGE SET BLACK MECH SPEEDO FORD/CHRY KIT

Kit includes 3-3/8 mechanical speedometer 140 MPH, 3-3/8 quad gauge (100-250F water temp, 0-100PSI oil pressure, 8-18 volts Empty-Full fuel gauge WITH 73-10 Ford/Chrysler range), pressure, temperature senders. and detailed instructions.

67204-01

67284-01

67214-01 3-3/8" 2 GAUGE SET BLACK PROG SPEEDO

Kit includes 3-3/8 programmable speedometer 140 MPH, 3-3/8 quad gauge (100-250F water temp, 0-100PSI oil pressure, 8-18 volts Empty-Full fuel gauge, pressure, temperature and GM speedometer sender with 7/8-18 thread. Universal 240-33 ohm adjustable fuel level sender, color coded wiring harness and detailed instructions.

67274-01 3-3/8" 2 GAUGE SET BLACK PROG SPEEDO FORD/CHRY KIT

Kit includes 3-3/8 programmable speedometer 140 MPH, 3-3/8 quad gauge (100-250F water temp, 0-100PSI oil pressure, 8-18 volts Empty-Full fuel gauge (73-10 Ford/Chrysler range), pressure, temperature and GM speedometer sender with 7/8-18 thread and Ford style speedometer sender adapter, color coded wiring harnesses and detailed instructions.

67214-01

67274-01

3 GAUGE KITS

67336-01 1967 3 GA 3-3/8 PROG SPEEDO, DUAL GAUGES BLACK

Kit includes 3-3/8 programmable speedometer, 2 EA 3-3/8 inch dual (water temp 100-250F, volts 8-18, oil pressure 100 PSI, fuel Empty/Full) pressure, temperature, universal adjustable 240-33ohm fuel level sender and GM speedometer sender with 7/8-18 thread. Universal 240-33 ohm adjustable fuel level sender, color coded wiring harness.

67386-01 1967 3 GA 3-3/8 PROG SPEEDO, DUAL GAUGES BLACK FORD/CHRY

Kit includes 3-3/8 programmable speedometer, 2 EA 3-3/8 inch dual (water temp 100-250F, volts 8-18, oil pressure 100 PSI, fuel Empty/Full with 73-10 Ford/Chrysler) pressure, temperature, universal adjustable 240-33ohm fuel sender and GM speedometer sender with 7/8-18 thread, Ford style speedometer adapter, color coded wiring harness

67336-01
 67386-01

67306-01 1967 3 GA 3-3/8 MECH SPEEDO, DUAL GAUGES BLACK

Kit includes 3-3/8 mechanical speedometer, 2 EA 3-3/8 inch dual (water temp 100-250F, volts 8-18, oil pressure 100 PSI, fuel Empty/Full) pressure, temperature and universal adjustable 240-33ohm fuel sender. Universal 240-33 ohm adjustable fuel level sender, color coded wiring

67376-01 1967 3 GA 3-3/8 MECH SPEEDO, DUAL GAUGES BLACK FORD/CHRY

Kit includes 3-3/8 mechanical speedometer, 2 EA 3-3/8 inch dual (water temp 100-250F, volts 8-18, oil pressure 100 PSI, fuel Empty/Full 73-10 Ford/Chrysler range) pressure, temperature senders, color coded wiring harness.

67306-01
 67376-01

67335-01 1967 3 GA KIT 4-3/8 PROG SPEEDO, 3-3/8 DUALS BLACK

Kit includes 4-3/8 programmable speedometer, 2 EA 3-3/8 inch dual (water temp 100-250F, volts 8-18, oil pressure 100 PSI, fuel Empty/Full) pressure, temperature, universal adjustable 240-33ohm fuel sender and GM speedometer sender with 7/8-18 thread. Universal 240-33 ohm adjustable fuel level sender, color coded wiring harness

67385-01 1967 3 GA KIT 4-3/8 PROG SPEEDO, 3-3/8 DUALS BLACK FORD/CHRYSLER KIT

Kit includes 4-3/8 programmable speedometer, 2 EA 3-3/8 inch dual (water temp 100-250F, volts 8-18, oil pressure 100 PSI, fuel Empty/Full with 73-10 Ford/Chrysler) pressure, temperature, universal adjustable 240-33ohm fuel sender and GM speedometer sender with 7/8-18 thread, Ford style speedometer adapter, color coded wiring harness

67335-01
67385-01

5 GAUGE KITS

67504-01 1967 5 GAUGE KIT 3-3/8 MECH SPEEDO BLACK 240-33 FUEL

Kit includes 3-3/8 mechanical speedometer (5/8-18 thread .10404 square drive) 2-1/16 in fuel (E-F) temperature (100-250F) volts (10-16V) pressure (0-100 PSI). Temperature, pressure and adjustable universal 240-33 ohm senders adapter bushings

67509-01 1967 SERIES 5 GAUGE KIT 3-3/8 MECH SPEEDO BLACK 0-90 GM FUEL

Kit includes 3-3/8 mechanical speedometer (5/8-18 thread .10404 square drive) 2-1/16 in fuel (E-F 0-90 GM range) temperature (100-250F) volts (10-16V) pressure (0-100 PSI). Temperature and pressure senders adapter bushings

67508-01 1967 5 GA KIT MECH SPEEDO BLACK 73-10 FORD/CHRY FUEL

Kit includes 3-3/8 mechanical speedometer (5/8-18 thread .10404 square drive) 2-1/16 in fuel (E-F 73-10 Ford/Chrysler range) temperature (100-250F) volts (10-16V) pressure (0-100 PSI). Temperature and pressure senders adapter bushings

67504-01
 67508-01
 67509-01

67514-01 1967 5 GA KIT PROG 3-3/8 SPEEDO BLACK UNIVERSAL

Kit includes 3-3/8 programmable speedometer 140 MPH, 2-1/16 in fuel (E-F) temperature (100-250F) volts (10-16V) pressure (0-100 PSI). Temperature. pressure and adjustable universal 240-33 ohm fuel level senders adapter bushings, speedometer wiring harness, GM/Chrysler style speedometer sender and detailed instructions included.

67519-01 1967 5 GA 3-3/8 PROG SPEEDO BLACK 0-90 GM FUEL

Kit includes 3-3/8 programmable speedometer 140 MPH, 2-1/16 in fuel (E-F 0-90 GM range) temperature (100-250F) volts (10-16V) pressure (0-100 PSI). Temperature. pressure senders adapter bushings, speedometer wiring harness, GM/Chrysler style speedometer sender and detailed instructions included.

67518-01 1967 5 GA 3-3/8 PROG SPEEDO BLACK 73-10 FORD/CHRY

Kit includes 3-3/8 programmable speedometer 140 MPH, 2-1/16 in fuel (E-F 73-10 Ford/Chrysler range) temperature (100-250F) volts (10-16V) pressure (0-100 PSI). Temperature. pressure senders adapter bushings, speedometer wiring harness, GM/Chrysler style speedometer sender and detailed instructions included.

67518-01
67519-01

6 GAUGE KITS

67604-01 1967 SERIES 6 GAUGE KIT 3-3/8 MECH SPEEDO BLACK

Kit includes 3-3/8 mechanical speedometer (5/8-18 thread .10404 square drive), 3-3/8 tachometer 8000 RPM, 2-1/16 in fuel (E-F) temperature (100-250F) volts (10-16V) pressure (0-100 PSI). Temperature. pressure and adjustable universal 240-33 ohm senders adapter bushings.

67609-01 1967 SERIES 6 GAUGE KIT 3-3/8 MECH SPEEDO BLACK 0-90 GM FUEL

Kit includes 3-3/8 mechanical speedometer (5/8-18 thread .104 square drive) 3-3/8 tachometer 8000 RPM, 2-1/16 in fuel (E-F 0-90 GM range) temperature (100-250F) volts (10-16V) pressure (0-100 PSI). Temperature and pressure senders adapter bushings and detailed instructions included

67608-01 1967 6 GA KIT MECH 3-3/8 SPEEDO BLACK 73-10 FORD/CHRY FUEL

Kit includes 3-3/8 mechanical speedometer (5/8-18 thread .104 square drive), 3-3/8 tachometer 8000 RPM, 2-1/16 in fuel (E-F 73-10 Ford/Chrysler range) temperature (100-250F) volts (10-16V) pressure (0-100 PSI). Temperature and pressure senders adapter bushings and detailed instructions included.

67604-01
 67608-01
 67609-01

67614-01 1967 6 GA KIT 3-3/8 PROG SPEEDO

Kit includes 3-3/8 programmable speedometer 140 MPH, 3-3/8 tachometer 8000 RPM, 2-1/16 in fuel (E-F) temperature (100-250F) volts (10-16V) pressure (0-100 PSI). Temperature. pressure and adjustable universal 240-33 ohm fuel level senders adapter bushings, speedometer wiring harness, GM/Chrysler style speedometer sender and detailed instructions included

67619-01 1967 6 GA 3-3/8 PROG SPEEDO BLACK 0-90 GM FUEL

Kit includes 3-3/8 programmable speedometer 140 MPH, 3-3/8 tachometer 8000RPM,, 2-1/16 in fuel (E-F 0-90 GM range) temperature (100-250F) volts (10-16V) pressure (0-100 PSI). Temperature. pressure senders adapter bushings, speedometer wiring harness, GM/Chrysler style speedometer sender and detailed instructions included.

67618-01 1967 6 GA 3-3/8 PROG SPEEDO BLACK 73-10 FORD/CHRY

Kit includes 3-3/8 programmable speedometer 140 MPH, 3-3/8 tachometer 8000 RPM, 2-1/16 in fuel (E-F 73-10 Ford/Chrysler range) temperature (100-250F) volts (10-16V) pressure (0-100 PSI). Temperature. pressure senders adapter bushings, speedometer wiring harness, GM/Chrysler style speedometer sender and detailed instructions included.

 67618-01
 67619-01

67651-01 1967 6 GA 4-3/8 PROG SPEEDO BLACK 240 UNIV KIT

Kit includes 4-3/8 programmable speedometer 140 MPH, 4-3/8 tachometer 8000 RPM, 2-1/16 in fuel (E-F) temperature (100-250F) volts (10-16V) pressure (0-100 PSI). Temperature. pressure and adjustable universal 240-33 ohm fuel level senders adapter bushings, speedometer wiring harness, GM/Chrysler style speedometer sender and detailed instructions included

67659-01 1967 6 GA 4-3/8 PROG SPEEDO BLACK 0-90 GM FUEL

Kit includes 4-3/8 programmable speedometer 140 MPH, 4-3/8 tachometer 8000RPM,, 2-1/16 in fuel (E-F 0-90 GM range) temperature (100-250F) volts (10-16V) pressure (0-100 PSI). Temperature. pressure senders adapter bushings, speedometer wiring harness, GM/Chrysler style speedometer sender and detailed instructions included.

67658-01 1967 6 GA 4-3/8 PROG SPEEDO BLACK 73-10 FORD/CHRY

Kit includes 3-3/8 programmable speedometer 140 MPH, 3-3/8 tachometer 8000 RPM, 2-1/16 in fuel (E-F 73-10 Ford/Chrysler range) temperature (100-250F) volts (10-16V) pressure (0-100 PSI). Temperature. pressure senders adapter bushings, speedometer wiring harness, GM/Chrysler style speedometer sender and detailed instructions include
