

61 - 66 Ford Truck

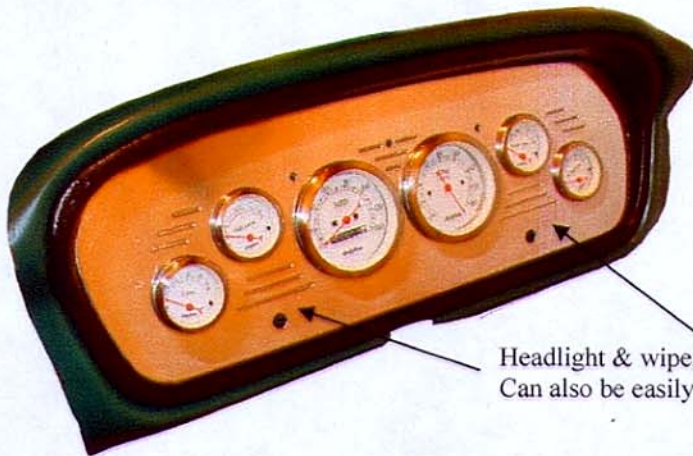

Dash is shown with original steel insert

Switch holes are visible here

This is the original insert with our 5" speedo adapter and the 3-3/8" Quad and 3-3/8" Tach

This Panel Also fits The Custom Cab
With The Horizontal Speedo

Headlight & wiper switch holes, this insert
Can also be easily drilled to accept other switches

Our new ABS panel with billet insert hides these un sightly holes

And also finishes off the bottom of the dash

Our panel is drilled for headlight switch and wiper switch
